

Friday 20th May 2016 – Task to be completed by Thursday 26th May 2016

This week in our Maths learning, we have been looking at angles. Your homework this week is based on that learning. We would like you to go out, or look round the home and search for right angles. You can record the right angles you find in any way you choose. You could take photos, draw pictures, write about them or any other method you would like to choose.

Times tables:

If you have completed your 2x table successfully twice then you will be moving on to your 5x table and so on. Your times tables tests will be stuck in the back of your homework book so you can check which times table you are on.

Spellings:

Your spellings this week are contractions where two words are joined together to become one and an apostrophe is used to show where the missing letter would've been:

Choose 5 words and put them into sentences. You can make your sentences as silly as you like.

strength

suppose

surprise

therefore

though

thought

through

various

weight

woman

Choose 5 of these spelling words and put them into a sentence.
