

Friday 30th September 2016 – Due in on Wednesday 5th October

We hope your projects are going well. You only have one week left to complete your project. We are so excited to see the results of your hard work. We would also like you to learn your spellings for this week as well as your times tables. Both of these will be tested next Friday.

Times tables

Everyone will be starting on their two times tables, but now some of you have moved up to your 5 times table. You will need to complete it all correctly twice to be able to move up to the next times table. Completed times table sheets will be stuck at the back of home reading diaries. Try practising your times tables using songs or rhymes or just practising it on a sheet of paper, whichever way works for you!

Spellings

This week for your spellings we would like you to practise words that have apostrophes for contractions in them.

don't

couldn't

won't

shouldn't

I've

haven't

shan't

I'll

you're

we're

Practise these 10 words ready for the spelling test and put 5 of them into sentences. They can be as silly as you like!
