28th February 2017

Dear Parents/Carers,

In our Science lessons this term, we have been studying the topic of Light. In order to enhance the topic we would like to invite the children to come back to school in the dark on Tuesday 7th March at 6pm-7.30pm.

On the evening, the children will be doing a treasure hunt, indoors, around the school, with torches to help light their way. We would also like to gather the children in the hall, after their treasure hunt, to have some hot chocolate, a short film and a bed time story.

The children can come back to school dressed in their pyjamas and will need to bring their own torch with them for the treasure hunt. At the end of the event please come and pick up your child from their classroom.

For your child to be able to come to this, we will need you to fill out and return the permission slip below.

Thank you

Miss Colley, Mrs Symons and Mrs Driver
