

Friday 24th March 2017 – Due in on Wednesday 29th March 2017

In English this week, we have been reading the book 'Ask Dr K Fisher about Animals' We have been really enjoying finding out some new things about different animals. For your home learning this week, we would like you to find out about an animal of your choice. You might want to choose an animal we may never have heard of before. We would like you to find out these things about your animal:

- What the animal eats
- Where the animal comes from- what is its habitat like?
- What the animal uses to catch its food
- What you find interesting about the animal

You can present your information in any way you would like.

Times tables

Everyone will be starting on their two times tables, but now some of you have moved up to your 5 times table. You will need to complete it all correctly twice to be able to move up to the next times table.

Spellings

This week for your spellings we would like you to practise words from the Year 3 word list:

interest

island

knowledge

learn

length

library

material

medicine

mention

minute

Practise these 10 words ready for the spelling test and put 5 of them into sentences. They can be as silly as you like!
