- Thick socks (wellies and thin socks can make you very COLD, waterproof does not = warm)
- Sun hat
- Light, long sleeve top (NOT short sleeves– to protect against any brambles and nettles)
- Light, full length trousers (NOT shorts or ¾ length – to protect against any brambles and nettles)
- Light top/jumper (Layers can always be taken off!)
- Waterproof trousers and coat (should it rain we still aim to go ahead with Forest School)

It is vital that children wear the correct clothing for their own comfort and safety. It is very muddy and a change of clothes is essential – including extra SOCKS. A carrier bag for wet/muddy items each week is great please. We have a few spare items and always do our best to equip the children appropriately, but we do rely on the majority of children providing the right footwear and waterproofs.

We ask that your child **COMES INTO SCHOOL WEARING THEIR FOREST SCHOOL CLOTHES** and they have their school uniform **and shoes** in a bag ready to change at the end of the session ready for the rest of the school day (if they remain clean they might not be asked to change). Please ensure all items of clothing are named and labelled, inc their wellies.

Sessions last for approximately 90 mins and will go ahead in all weathers (with the exception of moderate-high wind due to potential of branches falling).

Forest School is always a very special provision and the children remember their experiences for years to come; it is great for team work, self-esteem, confidence building, exploration and creativity amongst many other things.

There is a strict risk assessment criteria for Forest School and we are required to keep up-to-date medical, dietary and allergy records of each child in school. Please update the office if there is anything particular we need to know. There will often be refreshments at forest school – please let the class teacher know if you do not want your child to have a biscuit, hot chocolate/warm squash or similar refreshments.

Our team feel very privileged to be able to work with your child and we look forward to sharing in their explorations with them.

Yours sincerely,

Mr Beveridge
