### WEATHER DEPENDENT:

- Wellington boots
- Warm hat and gloves

We do stress that it is not necessary to go out and buy all new and expensive kit to come on our camps. So long as you have a sleeping bag and roll mat, torch, appropriate footwear and some warm clothes you will be fine, but just to be sure we have outlined the key items of kit.

And please make sure all kit is clearly labelled, this will save camp staff time and effort at the end of the trip! Thank you.
