Dear Parent/Carer,

**Please note this questionnaire is ONLY for children currently in Reception.**

Please find the link below that will take you to the School Entry Health Questionnaire, this questionnaire will identify areas of support you or your child may need from the School Nursing Service now or in the future.

When you have completed and submitted the questionnaire you will be able to access a personalised health plan and resources for your child, based on your responses. These can either be e-mailed or printed out.

For any accessibility needs, this questionnaire has ReachDeck technology to assist you with languages, colours, fonts, contrast levels etc.

If you are unable to access this questionnaire online or have any other concerns around access, please contact School Nursing admin on 01929 557558 and we will endeavour to find a way to support you with this.

If you have school age children that are **NOT** currently in Reception and you have concerns around an aspect of their health, you can either text the ParentLine 5 – 19 service on 07312263131 or complete a request for support form accessible via this link:
