National Year Of Reading 2026 - Let's Go All In!

Dear Parent / Guardian,

We are delighted to share with you the Sandford St Martin's Primary School results so far in Pop-Up Bookshop's campaign **10,000 Hours Of Fun Reading!** Our school annual target was to achieve **500 hours** of reading by the end of the **National Year Of Reading 2026**. During our first sponsored read we achieved...

**849 hours and 30 minutes
reading for fun!**

Sandford St Martin's Primary was the **first school to reach target** and we have now far exceeded our reading goal - what an absolutely **incredible** achievement! This goes to show how **all the children working together as a team** can really prove fantastic results!

Your support and generosity has also fundraised a brilliant **£144 extra books for Sandford St Martin's!** We are so proud of our pupils for such a fantastic result. Our Reading Ambassadors will update our school campaign clock posters and work with staff to determine the best books to purchase with these funds.

A **huge thank you** to everyone who participated in the challenge, we may decide to stretch our annual reading target in the Autumn Term.

Pop-Up Bookshop is delivering the **pupil book prizes, certificates and bookmarks** this week and we are holding a special assembly to recognise the children's marvellous efforts.

We will arrange for **Pop-Up Bookshop to visit school** before the end of the academic year to give pupils the opportunity of redeeming their discount voucher in person, or you can **order books online with free delivery** to BH postcodes.
