Dear Parents / Carers,

FACE Workshop – Year 6 Parents- Thursday 2nd July 2026 at 5pm

Jane Keyworth from FACE (Family Advice) will be holding a face to face session for all of our year 6 families to hear all about 'The Teenage Brain'. This will be a fascinating session so you can learn all about how your child's brain is developing and why they may behave in a certain way.

"We need every parent and teacher to attend Jane Keyworth's outstanding presentation, 'Understanding the Teenage Brain'! It provides a brilliant exposé of the challenges young people face as they develop from child to young adult. The presentation is very informative but also very accessible and entertaining. I cannot recommend this talk highly enough!"

Mr Mead, Head at Lytchett School.

Summer is Coming!

We are promised lovely weather in the coming weeks so please ensure that you have put long lasting sun cream on your child before school and ensure they have a named sun hat in school. We will ensure that there are plenty of water breaks so that we can all keep cool in the sunshine.

Dangers of Fidget Toys and Squishies in School

We have seen an increase in children bringing in squishies and fidget toys from home and have had a few incidents in the past couple of weeks. We have had squishies explode and cause irritation to eyes, skin and mouths and have also had some cuts from sharp edges on fidget toys.

Please do not send in any fidget toys or squishies from home as children will be asked to put them away for safety reasons.

Teachers will ensure that the children who need any resources and support will be given these in class as appropriate. Thank you so much with your support with this.

Celebrating 150 Years of Education in Sandford – 2nd July

We have been busy planning our celebration of 150 years of Education in Sandford and are on the hunt for any photos, memories of events and times in schools in Sandford. The children will be learning all about their era in history and turning the school into walking timeline to celebrate times gone by.

We would love for the children (and staff of course!) to dress in the era they will be learning about for our celebration on **Thursday 2nd July**. Watch this space for more information. They are:

Reception – 2000 – Present Day

Year 1 & 2 – 1970s – 1999

Year 4 – 1940s

Year 3 – 1960s

Year 5 – 1910 – 1939

Chapman's Pool

Chapman's Pool - One of those magical places that makes you feel like you've stepped into a storybook. A day filled with surprises! Sweeping coastal views from the cliff top, clambering down a rope to reach the hidden cove (there is an alternative path avoiding the rope), fossil hunting on the beach and even a driftwood swing perfect for a family photo. When the spring sunshine arrives and the ground finally starts to dry, it's the ideal time to visit. Start your journey from Worth Matravers car park then head over fields from Weston.

A few things to keep in mind:
 This is a proper outdoorsy adventure - no toilets, no café, no bins, and likely very little phone signal. Pack snacks, bring water, and leave nothing but footprints behind.

Nature to notice this spring

see me in April

Wild garlic
 Edible wild garlic has a very strong aroma and carpets the floor with their white flowers - find them at woodlands around Old Harry Rocks & Kingston

Corse

Tune your eyes into the yellow & your noses into the smell of coconut in the sunshine. Quietly watch these prickly shrubs - they are a hive of activity for birds - shelter, nests & food.

Hares

Catch the annual display of boxing hares each spring during mating season. Look out for them in fields across Worth Matravers - early mornings or at dusk on clear days are best

Caterpillars!

These strange cobwebs are actually bundles of caterpillars. But look from a distance - their hairs can cause our skin irritation. Try spotting them around headlands between St Alhelm's Head & Winspit

Bluebells
