

Tuesday 7th July 2026

Whole School Sports Day – Wednesday 8th July 2026

Revised Sports Day Timetable

Dear Parents/Carers,

In view of the increasing levels of heat alerts for the remainder of the week, we have taken the decision to limit the activities taking place on Sports day, and to run all the events in the morning when the temperatures are cooler. The revised schedule is attached below for your information.

We are also ensuring there are many opportunities for rest and hydration breaks and that there is sufficient shade for the children between events. **Please can you ensure your child is wearing their hat, has applied sunscreen and has their water bottle** for the day.

Lunch will remain as a picnic with families on the field – please do utilise the shaded areas. **Children will then return to their classes for the afternoon session and can be collected at the normal times as school ends.** Please note that there will be no clubs running after school on Wednesday.

With Kind Regards

Mrs Roberts
Headteacher

Sports day information
