Dear Parents and Carers,

Wow – how this term has flown! As this is our final newsletter this year, I wanted to say a huge thank you to all of the families, staff, governors and of course, children, who have made me feel so welcome. Taking the baton from Mr Beveridge was always going to be a challenge but I am so grateful to be part of the wonderful Sandford family – from getting to know our children and families to enjoying a campout!

Don't forget that we are still at school next Monday, Tuesday and Wednesday and term will end at normal time Wednesday 22nd July.

That just leaves me to wish you all a wonderful summer holiday with your families and we will look forward to seeing you all back at school on Thursday 3rd September. Monday 1st and Tuesday 2nd September are INSET days for staff.

Wareham Carnival Fun!

Excitement is building for the Wareham Carnival this Sunday, 19th July. The PTA will be decorating a float and we welcome lots of you to join in with the fun... See the poster below The trailer to decorate will be at school from 9am Sunday.

9am – The trailer will arrive at Sandford St Martin's to be decorated – all welcome!

12pm – For anyone who wants to be on the float, we will meet at the train station road at 12 noon please.

All children must be accompanied by an adult and all parties in the float must be dressed up.

We also need parents to help run some fun stalls until we arrive at the Rec. Please get in touch with me or Mel Bolt so we can let the PTA know.

This is such a wonderful fundraiser for our community so please do get involved!

Our Fabulous Year 6 Performers

Year 6 took the stage by storm this Tuesday as they performed 'I'm an 11 Year Old, Get Me Out Of Here'. Both performances delighted families with songs, jokes and some great acting. A huge thank you to the parents who were brought up on stage as part of the performance – such good sports!

Well done to all the children and the whole Year 6 team who put together a great performance – another to add to the memory books.

Year 6 Residential to Cumulus

The children and staff from Year 6 have enjoyed their residential at Cumulus with lots of fun activities – rifle shooting, archery, axe throwing, raft building playing some games in the forest. What a busy week our year 6's have had! Thank you to all the staff who attended the trip – above and beyond as always! Also, thanks to the staff at Cumulus – the children had a great time!

Year 6 Leavers Service

Don't forget Wednesday 22nd July - Year 6 Leaver's Assembly at 2:15pm - 3pm. All Year 6 families welcome (non-ticketed). Hopefully the weather is nice and we will be on the school field.

Best Wishes

Purbeck Sports Awards

We are so proud to award Nora, Maisie and Jasper the Purbecks Sports Award this year. These three children are an absolute asset to our school and wonderful ambassadors for everything school sport should be. They approach every opportunity with enthusiasm, determination and a smile, always giving their very best while encouraging everyone around them to do the same.

Their incredible talent is clear to see, but what makes them truly special is their attitude towards sport. They show kindness, resilience, respect and outstanding sportsmanship in everything they do. They celebrate the success of others, support their teammates and inspire younger pupils to get involved and believe in themselves.

Nora, Maisie and Jasper are fantastic role models who represent our school with pride, humility and enthusiasm. We couldn't be prouder of all they have achieved, and we are so grateful for the positive example they set every single day. They are truly deserving of this award.

MHST: SUPPORTING CHALLENGING BEHAVIOUR FOR PARENTS/CARERS (Y6 AND UNDER)

Join the Dorset Mental Health Support Team for Schools for a webinar designed for parents of young people in year 6 and below who are interested in learning tools to support challenging behaviour at home.

This session provides information on how to respond to children when their behaviour becomes challenging. The sessions covers the theory of behaviour as communication, the importance of play, and the power of positive praise to encourage behaviours parents would like to see more of.

It includes practical tools that parents can use to support children when they are dysregulated.

CAR PARK

Parents / Carers we please ask that you **ONLY** Park in the designated parking bays in the **Parent Carpark** as shown on the car park layout below and **NOT** in the Staff or Nursery parking bays.

Please **DO NOT** park in the **Drop Off Zone**, this is only to be used for dropping off your children.

The zebra crossing **must be kept clear at all times** and please **DO NOT** double park along the access road.

Please can we ask that you only park in the Parent Car Park and not in the Staff or Nursery spaces as shown on the map above.

Please only use the **DROP OFF BAY** if you are dropping your child/dren off, there should be **NO CARS PARKED IN THIS AREA** or left **UNATTENDED** at anytime.

Can we also ask that the approach road is **kept clear for 2 vehicles to pass each other** and that the **no one parks on the corner by the main entrance** as cars cannot pass and are having to reverse onto the zebra crossing which is going to cause a serious accident.

“FREE” HANDS -ON OCEAN & NATURE SESSIONS

A brilliant new series of FREE, hands-on ocean and nature sessions is coming to Swanage Beach this summer, delivered by the Andrew Simpson Foundation (Portland) with support from Planet Purbeck.

Think: beach science, marine wildlife, water testing, shoreline surveys, creative activities, mini beach cleans and plenty of family-friendly fun by the sea.

We're especially keen to reach families who might not usually see this kind of sea, science and nature event as “for them”. With that in mind, we're sharing the booking link with you ahead of the wider public release w/c 6 July, in the hope you can help us reach the right families early.

For now, please only share this in a targeted way with local families and young people who may enjoy a free, friendly summer activity by the sea.

No previous knowledge, kit or experience needed. Just curiosity and a willingness to get stuck in.

Dates:

- Sat 1 Aug
- Sun 9 Aug
- Sun 16 Aug

Each day has a morning OR afternoon option
