Sandford St Martin's Primary School - School Diary

Dear Parents and Carers,

I hope you have all had a wonderful week – we have certainly enjoyed some glorious sunshine. We are currently working on our website so that there is more information for our families and will be adding more 'latest news' posts. The autumn term is going to get busy so keep a close eye on our dates for the diary and latest news pages.

Sandford St Martin's Primary School - School Diary

Sandford St Martin's Primary School - Latest News

Wonderful Art Work!

I have been wowed this week with lots of entries into our art competition as we create an art piece to illustrate our school vision "We are growing to learn and learning to grow - together."

Governors will be judging the three winners which will be announced in celebration assembly next Friday and all entries will receive a certificate. A huge thank you to all the children who worked hard to create something really special for our school. Watch this space for information on our winners…

Our Opal Journey

This week we began our Opal journey and we will be writing to you in coming weeks to explain more about how we will be transforming our play at Sandford St Martin's. We are really excited to start and I wanted to say a huge thank you to Mrs Lock, Mrs Eite and Miss Fallesen for their excitement and passion for a project that will be so beneficial for our children at Sandford.

Forest School News

As you know, we have an incredible Forest School on our site and we have been looking at ways of being able to further develop our provision. I am delighted to say that Mrs Peckham, Miss Fallesen, Mrs Benko-Robbins and Miss Edwards will be beginning their level 3 Forest School training with Dorset Forest School next month.
This will mean that we have 8 members of staff trained to provide every class with the opportunity to enjoy the forest and develop a whole range of skills that classrooms do not provide. Watch this space for more information very soon.

Important Jewellery Policy

Please remember our jewellery policy and help us follow it: We do ask that no jewellery (necklaces, bracelets etc) is worn in school. Small stud earrings are permitted. Watches can be worn but these should not have messaging, phoning, gaming or photography functions.

Open Days for Reception 2027!

It is that time of year again, as our new Saplings settle into school, that we begin the process of welcoming more new families and children to Sandford. We held an open day this week where Mrs Pampin and I had the pleasure of touring prospective parents around our school.
Don't forget that we have one more date where families looking for a Reception place in September 2027 can come and see what Sandford is all about. Please get in touch with the School Office to book your place and we look forward to seeing you then.
The Open Day is Wednesday 30th September 2026 at 2:00pm

Car Park Opening Time Change

To help support families collecting from Nursery and to reduce congestion on the main road, we will be opening the parent car park slightly earlier at 2:40pm. We kindly ask that parents do not arrive before this time, as early arrivals can cause the very congestion we are trying to alleviate.
Please also bear with our office team, who open the gate as part of their busy end-of-day responsibilities and may occasionally be called away to support pupils or deliver important messages. We appreciate your patience and support as we work together to make collection time safer and smoother for everyone.

Shoe Box Appeal

It is that time again when we think of others and share some love to children through the Wessex Rotary Shoebox Scheme. This is a wonderful scheme and we have talked to the children about how they can help in our celebration assembly. There is further information below so please do help if you can.

Streamlining our SEND Communication

We are pleased to introduce a new dedicated SEND email address: SEND@sandfordprimary.dorset.sch.uk. Creating a central point for SEND communications will help ensure enquiries are responded to efficiently and that information is shared effectively, supporting strong collaboration between home and school.

Best Wishes
Emma Roberts
Headteacher
