HARVEST FESTIVAL in school

Dear Parents/Carers

On Thursday 22nd October (last day of half term) we would like to invite your child to bring to school a donation of an item or two to celebrate and share in our 'Harvest Festival'. This year we are collecting food items for Wareham foodbank. There is no obligation to give – thankyou for being so generous with the Swim for Charity and the Christmas Shoe Box Appeal.

If you would like your child to give at our Harvest service please send them to school with a food item on Thursday morning. Rev Hilary will gather the donations in class and these will then be transported to Wareham.

Useful donations include:

cereal baked beans tinned soup
tinned vegetables instant mashed potatoes
tinned fruit biscuits or snack bars

pasta sauces rice/sponge pudding (tinned)
fruit juice (carton) tea bags/coffee
tinned meat/fish sugar (500g) milk (UHT or powdered)

Please keep contributions to handheld size so it is manageable for your child, the items will remain in class until the 'offering' in the hall. Please do not give donations into the school office. *We do not monitor who has and has not donated.*

Yours sincerely

Mrs Emma Roberts
