Newsletter 5 (02/02/2024)

Dear Parents/Carers and the wider community,

It is pleasing to see various works starting on the school grounds this week. James Bolt has kindly installed a frame for our new forest school shed/tool storage near the woodland. We will see this area develop quickly in the coming weeks. And the staff won't miss lumping the tools and equipment from the school building for Forest School sessions! **THANK YOU MR BOLT!**

We are also waiting for Warefence to return to install high netting on the front fence to reduce the number of balls flying over the fence onto the main road. Please use the opportunity of having these trades on our site to remind children to stay off building sites and cordoned safety areas. We certainly are!

Next week is National Children's Mental Health Week (Y5 and Y6 - note the plural possessive apostrophe ①). To mark this important week we are sharing various resources about using your voice and expressing yourself. The week will culminate with a **free** non-uniform day on **Friday 9th Feb**ruary - but more from Mrs Hudson on this if you read on...

Best wishes

Paul Beveridge

Headteacher

NB: The deadline for ordering school lunches for the first week after half term is Midday on Friday 9th February!

Can you find the hidden word in this week's newsletter?

If you do, come to the office – the first 5 people to correctly find the word get a prize!

EXPRESS YOURSELF DAY

Friday 9th February

It is Children's Mental Health week next week (5th -11th February) - the theme this year is 'My Voice Matters'.

You don't have to express yourself with your voice it could be through what you wear! To mark this week we are having an 'Express Yourself' day on Friday 9th February. Children are welcome to come to school dressed in whatever they feel appropriate to express themselves!

Dress Up Day on Friday!

After School Clubs

The new after school clubs will start after the half term holidays. Parents will be informed next week of their child's allocations

Sports Events

On Thursday some children from Year 4 went out to represent us at the Purbeck Tag Rugby Festival. They showed some super rugby skills! Their teamwork, ball skills and enthusiasm was inspiring!

SCHOOL OFFICE REMINDERS...

Hot School Lunches

Hot school lunches are now available to book via your child's Wisepay account up until the Easter break.

The deadline for ordering for the first week back (19th Feb) is MIDDAY on Friday 9th February

If you miss this deadline you will need to provide a packed lunch from home for the first week back.

Absence Reporting

This is polite reminder that all absences from school MUST be reported to the school office by **9am** on each day of absence either via the absence line, phone or email, office@sandfordprimary.dorset.sch.uk

Please make sure you child's name, class and the reason for absence is clearly stated.

Car Parking

We are having chaos out the front of school with drivers mis-using the drop off zone, disabled bays and even parking on kerbs/pavements and the double yellow lines at the entrance to the school!

Do we really need a serious accident for people to take this seriously?

Please ONLY park in the designated parking bays in the parent carpark

End of Day Pick up

We only allow Y5 & Y6 children with express permission to walk to and from school without a responsible adult. Please do not ask these older children to pick up their younger siblings. Children in Y4 and younger should be collected by a responsible adult from the class door. This is an important part of our agreed safeguarding arrangements.

Designated Safeguarding Lead Mrs. Pampin

Deputy Safeguarding Lead Mr. Sampson

CURIOUS ABOUT A BAY AT COMPUTERXPLORERS HOLIDAY CAMP?

Our day begins with an assessment to gauge students' knowledge. We then divide them into groups based on age and abilities. Each group works tagether, taking on challenges that increase in difficulty as they learn. We have a morning and an afternoon snack break, as well as a lunch break (shh... we have a delicious surprise waiting for lunch - fluffy pancakes every day. It's our little secret, so don't spill the beans!) During these breaks, we encourage everyone to step outside, take a walk, go for a run, and enjoy fresh air. Join us for a dynamic and engaging experience where learning and enjoyment go hand in hand.

MINECRAFT CODIAG

Experience the ultimate Minecraft adventure on ComputerXplorers Island. Unleash your creativity, have critical thinking skills, and conquer tough tasks with redstone, chemistry, and coding! Join us in our secure anline Minecraft World and explore a realm of endless possibilities for both seasoned Minecrafters and newcomers alike.

TRUSTIST

My two criticisms from the Minacraft coding club, they were kept boay all day and came home emiling and chafting legative about what fley'd leant chaft. As perents, we are happy to have found a safe, educational and fun encomment for them to be in. Staff were great with SEX and our autistic child was well pared for any that makes the biggest difference for us? Thanks as much for being great at what you do, we can't wait to come back again.
