

October 2024

Dear Parents/Carers of students in Years 5 and 6,

I am writing to let you know of our 'The Purbeck Experience' programme that we are running this academic year to support your child's transition to our The Purbeck School from their primary school.

All sessions are for you and your child together and you can participate in as many as you like. We are hoping that these sessions will allow your child to become more familiar with our site and our teachers and that you will get a 'hands on' insight into learning at our school.

Numbers are limited and will be allocated on a first come, first served basis.

Arrival and registration will always be 3.45pm. We will welcome you into our Y7 café area for some refreshments before lessons start at 4.00pm. All lessons are one hour long.

The sessions on offer and dates are:

Subject Area	Date
The Maths Experience	Wednesday 6 th November
The English Experience	Wednesday 29 th January
The Science Experience	Wednesday 5 th March
The Design Technology Experience	Wednesday 30 th April
The Sport Experience	Wednesday 11 th June

If you would like to attend any of the Experiences, please complete our online sign up form: [here](#).

We need accurate numbers to ensure we have enough staff available to run the sessions to the best possible standard. We do take photographs of students during the Experiences to publish on our website. If you would prefer your child's photograph not to be taken, please indicate by ticking the box on the online form.

We look forward to welcoming you.

Yours sincerely,

Adam Darley
Headteacher
